

REMARKS:

Claims 1-6 are pending in the application. In the Office Action dated December 15, 2005, the Examiner rejected claim 6 under 35 U.S.C. 112, second paragraph, as being indefinite, rejected claim 1 under 35 U.S.C. 102(e) as being anticipated by Singleton et al, and objected to claims 2-5 as being dependent upon a rejected base claims, but containing allowable subject matter.

In this amendment, claims 2 and 6 have been rewritten into independent form, including all the limitations of original claim 1. Claim 6 was also amended to include the limitation "an impact absorption boss part...comprising notches," to overcome the 112 rejection. Claims 1 and 5 were canceled. No new matter was added.

In view of the foregoing, Applicant believes all claims now pending in this application are in condition for allowance. The issuance of a formal Notice of Allowance is respectfully requested.

Authorization is granted to charge any outstanding fees due at this time for the continued prosecution of this matter to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310 (matter no. 060943-0058).

Respectfully submitted,

March 15, 2006

Jessica C. Stahnke (Reg. No. 57,570)
